

Photo Booth included in Princess and Platinum Packages.

Ultimate Fun at Your Wedding!!!

- A fun way for your guests to interact with you on your wedding day.
- Guests have a blast with fun colorful props included in the package.
- All photos uploaded to website for other guests to enjoy within 24 hours.
- Keep your guests entertained and engaged while you're having your group photos taken between the ceremony and reception.

Features:

- Full size DSLR camera for incredible quality photos for you and your guests.
- Enclosed booth to encourage guests to "act" out with their wacky props.
- "Backdrop only" option also available.
- No work for you! We deliver, set up, remove and attend to the booth throughout your wedding or event. Any trouble, we're there to fix it!
- 100+ props for guests to mix and match.
- Ability for guests to purchase fun items using their photo booth photos on our website like coffee mugs, mouse pads or poster prints.

What You Get:

- You get an Electronic guest book of who was there and the fun they had.
- Guests get 2 print strips of their three photos as they exit the booth.
- Each print strip customized with your wedding details.
- All photos posted to website, and delivered to you with final photo package.
- Stress free fun to complete your wedding day.
